Sportsman's Trader

Welcome to the Sportsman's Trader website!

This site allows registered users to post any type of sporting goods items for sale or trade. Postings are automatically deleted after 30 days from the date of posting.

You can browse items for sale or trade in your local area by entering your **Zip Code** and then click on the button titled **View items for sale or trade**.

If you do not enter a zip code, the system will display ALL records. If you enter a zip code and the table is blank, there were no items found in your area. If you would like to see all items on the site, type three zeros **000** in the zip code field on the browse screen and click **Sort on Selection** to see the new listings.

Note: To contact an owner about an item for sale you **Must** have an account on the system.

Protection of Personally Identifiable Information
When adding an item for sale or trade you can include a price but do not enter any personal information such as you name, address, email address, or telephone number. When an item is posted, it logs the owners email address and Zip Code for that user. If a different user is logged in and **Contact Owner** is selected, the system will automatically send an email to the items owner.
